

Hi MVE300,

I have prepared a list of chosen projects and groups.

I propose the following division of presentation times.

It is possible to switch the presentation times. However there are limitations. Only groups with the same number can switch.

For example: (Ekborg Olof, Petersson Therese, Liberda Adam) can switch with (Curry Emilly, Nelson Vidar), and vice versa, if both agrees or there are some extraordinary reasons. Please inform me in advance that switch took place.

Igor
