Curriculum vitae for Bo Berndtsson.

Affiliation Department of mathematics, Chalmers University of Technology and the University of Göteborg.

Date of birth : 24/12 1950

Education:
    (1) Filosofie Kandidat 1971 at the University of Göteborg
    (2) Doktorsexamen 1977 at the University of Göteborg (advisor: Tord Ganelius)

Positions:
    (1) Professor at the CTH, 96 -
    (2) Special research position at the NFR -89 -95
    (3) Lecturer -85 -89 at University of Göteborg
    (4) Forskarassistent -79 -84 at University of Göteborg
    (5) Forskningsassistent -77 -79 at University of Göteborg

Doctoral students:
Mats Andersson (1984) ,
Lars Alexandersson (1991),
Henrik Delin (1998),
Niklas Lindholm (2000) ,
Robert Berman (2006)
Edgar Tchoundja (2009)
Aron Lagerberg (2011)
Hossein Raufi (2014)

Awards:

I was awarded the "Edlund Prize" of the Royal Academy of Science in 1987, and the "Göran Gustafsson prize" in mathematics in 1995. In 1998 I was elected "thesis advisor of the year" at the CTH. I was elected member of KVA (The Royal Swedish Academy of Sciences) in 2003.

Administrative experience:

Between 1995 and 1998 I was a member of the Natural Science Research Council (NFR), and the chairman of the NFR:s program committee for mathematics. 1998-2002 I have been responsable for the Swedish node of an EU TMR-project, ANACOGA. I have also served as a member of a reference group of STINT. From January -02 to October -05 I have served as the Dean of the Chalmers Section for Mathematical Sciences. From 2009-2012 I have been the chairman of class for mathematics of the KVA. I am presently an associate editor of the Journal of Geometric analysis and the Journal of the Mathematical Society of Japan, and I have been an editor of Arkiv för Matematik.
